

Notice of Adjournment of SIOF2022

Dear exhibitors,

According to the relevant requirements of the national and local government for the prevention and control of the COVID-19 pandemic, the relevant municipal departments of Suzhou require SIOF2022, originally scheduled to be held at the Suzhou International Expo Center on April 22-24, 2022, to be postponed. The new exhibition date will be announced in due course. We apologize for the inconvenience caused.

The recent widespread outbreak of COVID-19 pandemic in various regions of China has increased the risk to health and difficulty of control. Please cooperate and work with the local government departments, properly coordinate epidemic prevention and make efforts to reduce the adverse effects.

Thank you for your continued support to the China International Optics Fair, and we hope to work together with you as soon as possible for the grand event!
